Welcome from Ekness Brothers and the Luverne Michaelsons

We at Ekco would like to extend a most cordial welcome to everyone interested in good Shorthorns to our "Barn Burner" sale, to be held in conjunction with our good friends, the Luverne Michaelsons at the new Red River Valley fairgrounds at West Fargo, N. Dak., Oct 30, 1967.

This Fall we had the misfortune of losing our heifer barn due to a fire (Hence the name of our sale) and as a result we are parting with our entire 1966 heifer crop. This will include our show heifers which we are retaining show rights on through the 1968 N. Dak. Winter Show held in early March.

We have anticipated starting an annual sale in the past but with the demand for our cattle through private treaty and our committments to area consignment sales, we never seem to have enough numbers to initiate such an undertaking. With the loss of our barn we are compelled to part with all our heifers which normally we would never do. Females will be sold that we would never part with but we feel with this kind of a start it will insure a sale of "satisfied buyers." With our cow herd at its present strength and the great position the Michaelsons are in we hope this will develop into an annual event.

We hope all of you can attend and that you have an enjoyable and profitable trip.

Ekness Bros.

My wife Helen, my son Gerry, my daughter Janet and myself warmly invite you to the joint production sale we are holding with the Ekness Bros. Our herd has developed rapidly since our initial start of 10 top heifers purchased from the Eldak Cattle Co. in 1959. Besides a cow herd of 50 head we are leasing 20 females from Gilbert Elken, Jr.-These are great cows and the best and balance of the old renowned Eldak herd.

Shorthorns have enjoyed a great prestige and reputation in this area and we know Eknesses have played a major role in this factor. With our herd at its present strength we are confident our productions along with Ekness' will more than fullfil your expectations of "Reputation Shorthorns."

We hope this will be the beginning of an annual event as our herd is large enough to be part of a joint sale and these sales are certainly important to promote breed expansion and enhance quality throughout the entire Shorthorn industry. We hope all Shorthorn enthusiasts can be with us on this momentous occasion.

The Luverne Michaelson Family

**GUARANTEE:** All animals sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Assoc.

**LIABILITY:** Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, sales personnel and manager have been employed by the sellers for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the sellers cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

**HEALTH:** All cattle will be sold according to the health regulations of the states of N. Dak. and Minn. Buyers must be aware of any variations between the laws of N. Dak. and Minn. and their own states. Interstate health certificates will be furnished for each individual lot. All females will be TB tested and bangs vaccinated. Also, females over the required age will be blood tested for bangs as well. All bulls will be bangs and TB tested.

**BREEDING DATES:** Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over printed material in the catalogue. Where footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

**SALES PERSONNEL:** Ted Aegerter, American Shorthorn Assoc., Seward, Nebr. Bill Stunkel, The Shorthorn World, Fremont, Nebr. Edgar Olson, Farmer's Union Livestock Marketing Assoc., Fosston, Minn. **SALES MANAGER:** Gilbert "Tup" Elken, 1324 3rd Ave. S., Fargo, ND.

**AUCTIONEERS:** Bob Steffes, Arthur N.D. and Tup Elken, Fargo, N.D.  
**MAIL ORDERS:** Those unable to attend who desire to buy may contact any of the above men, all of whom will be in attendance. Late bids on sale day may be phoned to the sale manager at the office, phone 282-2200 area code 701 West Fargo, N. Dak.

**SALE HEADQUARTERS:** The Town House Motel, Fargo, N.D. located in downtown Fargo, will be sale headquarters. Either the sale manager or any of the sellers can make reservations for you or you can write directly to the motel or call 232-8851 and mention the Shorthorn Sales. Also there are three other very nice motels, the Oak Manor, The Biltmore, and the Holiday Inn, all easily accessible from the sale facilities.

**SOCIAL HOURS:** The cattle will be available for inspection all day Sunday, October 29. Also, tours to Ekness Bros. and Michaelsons can be arranged for Sunday afternoon to see the herds. At 7:00 p.m. Sunday evening, there will be a social hour at the Regency room at the Town House and again Monday evening at 7:00 p.m.

**SHIPPING AND HANDLING:** All cattle can be removed from sale premises after settling with clerk. Those wishing to pick up cattle the following day may do so and cattle will be properly cared for at buyers risk. Any purchases going the direction of any sellers will be hauled to their farms free of charge and will be cared for for a reasonable length of time 'til purchaser can pick them up. Any purchases going a long distance will be arranged for and delivered at a cost of no more than fifty dollars per animal or will be cared for until a combined or return delivery can be made at a reasonable fee. Every effort will be made to accommodate any and all purchasers no matter the distance.

**PICTURES AND FOOTNOTES:** You will note an absence of any pictures of actual animals selling. Due to the late decision to have the sale, there wasn't enough time to get decent pictures as harvest was then taking place. It is our opinion that retouched professional pictures are deceiving and that amateur snapshots detract from an animal unless ample time is taken to get the best pose with the optimum exposure, light, etc. Only pictures of direct relatives will be used and we hope you will bear with us. As to footnotes, only pertinent facts are given as descriptive appraisals are only one man's opinion and it is the buyers decision that counts.

## From the Sale Manager

I was delighted to have Ekness Bros. and Luverne Michaelson call me to manage a joint production sale for them. After seeing the cattle both parties are consigning, I was over whelmed with enthusiasm for the "Barn Burner" sale as a tremendous source of select breed improving stock for breed expansion and individual herd improvement.

After some deliberation, it was decided to hold a two-day sale in conjunction with the Archer, Wigen dispersion at the new Red River Valley Fair Grounds at Fargo, October 30 and 31. This will be the biggest public auction of Shorthorns ever held in the upper Midwest and certainly will rank as one of the best.

With the ever increasing demand for high performance in our beef cattle, every established and prospective breeder would do well to follow the example of these firms, and better still, to take advantage of their breeding programs. Both herds are 100% productive, with great milking and mothering qualities. There is no room in either breeder's program for slow breeders or poor milkers. Neither firm has a nurse cow on the place. Both herds were founded on the best individuals, backed by the most prepotent ancestors. All their cattle are the big, rugged, good doing kind everyone desires but few achieve producing.

Not only are the females good and the families of the best breeding; few breeders have been as religious in selecting the best herd bulls available. The entire offering is sired by the best sires in the area and the females are bred to even better bulls that have been acquired in the last year.

I whole heartedly recommend every breeder of Shorthorns to attend this two-day event and take advantage of these grand cattle that will do great for their new owners as they have done in the past for their producers. These cattle are in ideal condition for breeding purposes having been raised entirely on home grown roughages and pasture. None are fitted or are "hot house plants" loaded with fat to make them look appealing. These Shorthorns are great beef cattle in their everyday work clothes as good Shorthorn should be.

All of us connected with these sales cordially invite you to attend this history making event. The offering has to be seen to be truly appreciated. If any of us can assist you in transportation connections, room reservations, information on the cattle, or anything else, feel free to write or call on any one of us. Looking forward to seeing you all on October 30 and 31. I promise you it will be worth your time, money, and effort to attend. You'll be glad you did.

T. K. Eldak Justin. Reference sire. Six of our females selling are sired by T.K. Eldak Justin. Three of these we are retaining show rights on through the 1968 North Dakota Winter Show. Three of the females selling are carrying the service of Justin. After we had purchased Justin privately from Truman Kingsley, he was shown at the 1964 International Livestock Exposition in Chicago where he stood second in class and was a member of the winning three bull group. Justin was also a 1965 All American Summer Yearling Nominee.

Dungarthill Jason was selected at Perth, Scotland in 1962 to follow Shirgarton Ranger at Eldak Cattle Co. by Tup Elken & Jr. Elken. He was sold to Lewisfield for \$5000. in the Lewisfield transaction and later sold in the Lewisfield Dispersal for \$3000. to Ashbourne Farms at 6 years of age after serving 4 1/2 useful seasons at Lewisfield and Eldak Cattle Co. He is the sire of both T.K. Eldak Justin and T.K. Eldak Jade.

SHIRGARTON RANGER

Shirgarton Ranger needs no introduction to Shorthorn circles anywhere in the world. A goodly portion of the cattle selling both days carry an infusion of his blood through sons and daughters.

P. F. Strathroy. Penningroth Bros. bred a good one here. They've just granted permission to change the name Strathroy to "Powerhouse" and that's what he is. When the Association OK's it, he will then be named as he is. This has to be one of the good bulls anywhere, weighing close to a ton in everyday clothes, he is long, thick, smooth, trim, extra heavy quartered and lots of bone and good feet. He is truly today's modern beef type sire.
